

We at **Good Shepherd Parish** will be happy to help you prepare for your Marriage in our church.

Here are some guidelines that may prove helpful:

1. Please do not set a date for your wedding before meeting with one of the priests to begin your marriage preparation. To make an appointment, call the parish office at 407-277-3939 and ask for the priest with whom you wish to meet.
2. This meeting needs to take place at least six months before the wedding date you have in mind.
3. At this meeting, the priest will explain the marriage preparation program, which includes, among other things:
 - Paperwork and documentation
 - Instruments to promote communication
 - Requirement of the Diocese of Orlando
 - Immediate preparation for the ceremony
