Store Information:

We are Orlando's preferred provider of school uniforms and dress code apparel. It is our goal to dress our students for success.

We sit down with each and every school to help build a customized school apparel program. From Plaids to Logos.

We do all decoration and embroidery in house, right at our store! We are part of a national school apparel company but we have an owner operator working in the store right here in Orlando. We are members of your community and want to work with you to make it the best place to live.

Educational Outfitters will be at Good Shepherd with uniforms to purchase at orientation on Sunday August 11, 2019 from 9:00am to 2:00pm. You can also purchase them at the store, online, or by phone during the summer. See map below for store location.
