Ceiling Tile Created by 8th Graders

The Art Studio is a place for students to relax, unwind, and to let their creative juices flow...

A photograph of a goldfish in a glass fishbowl. The fish is orange and yellow, swimming near the bottom. The bowl is filled with water and has some green plants at the top. In the background, there is a blue storage bin and a colorful abstract painting on a wall. A text box is overlaid on the image.

Students are encouraged
to think outside the box
(or bowl) ! 😊
