

Good Shepherd Catholic School Parent Pick-up Dismissal Plan

Pre-School &K4 - Parents will park in the Church parking lot and proceed to pick up their children.

All K4 students must be picked up and signed out of the classrooms.

Siblings of the K4 students who will be leaving at dismissal time will have the option of going to an assigned location for your convenience. If you are using this option all students that will go there should be told they are going to the **Pre-K Sibling Line**. These students will be picked up by the Parent or Authorized Person **only** after they have picked up their K4 students.

Students K-8 - The children for Parent Pick-up will be brought to the Family Center for dismissal. They will be in the Family Center or outside at 3:00 and dismissal will be at 3:10.

The children for the Car-Line will be taken to the Middle School building and will be put in cars on the east side of campus.

Rainy Dismissal

Runs normal. The students will be taken to the Family Center under the covered walkways.
